🛈 SUMMARY

Detail-oriented engineer with expertise in software development and cloud computing. Skilled in deploying scalable AWS infrastructure and implementing DevOps practices. Proficient in building CI/CD pipelines and optimizing system performance. Currently pursuing a B.Tech in Computer Science and Information Technology with a solid grasp of programming and databases.

🎓 EDUCATION

Koneru Lakshmaiah University   Current CGPA: 9.05
B.Tech. Computer Science and Information Technology   *2022-2026*

Narayana Junior College   Percentage: 73%
Secondary Education — MPC   *2020-2022*

Bhashyam High School   Percentage: 90%
High School — SSC   *2015-2020*

💻 TECHNICAL SKILLS

</> **Programming Languages**: C, Python, Java, HTML/CSS (familiar), JavaScript

🔧 **Technologies and Tools**: Git, Jenkins, Docker, Kubernetes, Ansible, Terraform, AWS (EC2, S3, IAM, VPC, Route 53, CloudFront, CloudWatch), Datadog, MySQL, React, Node.js, Spring Boot

☰ PROJECTS

Remote Internship Management and Evaluation Platform
Spring Boot Framework   *Spring Initializr, Maven*
- Collaborated in designing and developing a web-based platform to streamline remote internship management.
- Created modules for employers to post internships, track student progress, and provide feedback.
- Developed student-facing features for applying to internships, tracking tasks, and receiving mentor evaluations.

End to End DevOps Project
Automated CI/CD pipeline for seamless deployment   *Jenkins, Docker, Kubernetes, Terraform, Git*
- Built an end-to-end DevOps pipeline to automate code integration.
- Gained hands-on experience in troubleshooting and optimizing deployment processes.
- This project strengthened my understanding of automated workflows and cloud-based deployments.

✾ CERTIFICATIONS

- AWS Certified Cloud Practitioner
- Salesforce AI Associate
- Red Hat Certified Enterprise Application Developer

💼 EXPERIENCE

Data Engineering Virtual Internship   January - March 2024
AICTE EduSkills Internship

🏆 ACHIEVEMENTS

- **Campus Ambassador** Singularity '23-24, Indian Institute of Science Education and Research, Bhopal - Received a certificate of appreciation for outstanding performance in representing the event.
